

# Treatment Calendar

Keeping up with your treatment plan and medications is very important—but it can be difficult at times. This Treatment Calendar is designed to help make it as easy as possible to stay on track. With a calendar and chart to record the dosages and instructions for different medications, you can use this resource to keep track of your medicine. You can also bring it with you to your healthcare appointments to share with your doctor or nurse.

## WHY IT'S HELPFUL

This calendar helps you monitor your treatments, appointments, and medications.
